# About Us

The People's Republics is a stylish, responsibly sourced apparel company celebrating the unique characteristics of progressive cities, starting with Portland, Oregon.

We are dedicated to social, environmental, and economic initiatives that benefit the people and the planet. We are building a network of forward thinking cities that are working to create lasting change through collaboration and unity.

We support local, like-minded businesses and non-profits through sponsorship and donations. This year we are donating a portion of our proceeds to Focus The Nation, a national non-profit who engages and coaches student leaders into clean energy careers.

Add your voice to the republic! Let's celebrate your city, your people, and unite to create a model for real change.

# Terms

We ask a minimum opening order of \$200. All orders must be prepaid or due on receipt (cash, check, or paypal) and they will be shipped within 1-2 weeks of the original order date depending on back stock available. No cancellations will be accepted after five business days following the receipt of your order. Any order with The People's Republics is a contract: any refusal of shipments before the cancel date is an infringement of that contract, and parties that do so are liable for all charges incurred. There will be a \$35 fee for all returned checks.

All orders are shipped priority mail. The purchaser is responsible for all shipping and handling charges.

There are no returns, exchanges or refunds. Defective merchandise will be replaced with comparable items. In case of damaged shipment, please file a claim with the carrier, and contact us immediately. Save all packing materials and invoices. Claims submitted after ten business days of receipt of merchandise will not be honored unless we are at fault in filling the order.

In case of damages or for questions, please contact:
